

NAME TAPES FOR SCHOOL UNIFORM

Please ensure that all of your daughter's uniform is clearly labelled.

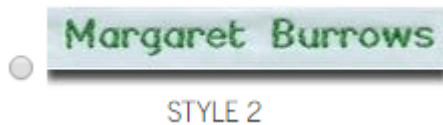

The girls should have the extra wide **woven** Cash's Name Tape Style 16 with initial and surname or surname only – the maximum number of letters including spaces and punctuation is 18 in **green** or **blue** lettering. These name tapes should then be sewn on to the **outside** of all PE kit, blue art/science overall, lunch pinafore (for Reception to Y2 only) and green sweatshirt so that they can be identified and returned to the owner quickly.

Labels which are sewn on tend to be more long lasting, but iron on and stick on labels are also available. Please use the following style guide:

Green or Blue lettering; style 16, woven 25mm

Or for the inside of items:

Style 2, 6, 7, 9 or 10- woven 8mm

Please label all items as shown on the labelling guide sheet. It is also most helpful to label smaller items such as gloves, hats and socks.

All labels can be ordered online at
