

## 4+ 2025 Reception Ballot FAQ's

- *Number of applicants registered?*

Usually between 250 and 350 per year

- *How many siblings for 4+2025?*

On average we have between 4 and 8 siblings and more may register before the deadline. It is too early to say how many we will have for the 2025 entry.

- *What happens if someone does not accept the place?*

We draw a waiting list of 12 applicants at the same time as the main draw, and so would offer this place to the next on the waiting list.

- *What happens if we are unsuccessful?*

Your daughter remains registered with Bute House, and we reach out to you the year prior to entry into Year 3 2028, to enquire if you are interested in her sitting our 7+ assessment in January 2028. Please keep us informed of any change of address or contact details. You **DO NOT** need to re-register your daughter.
