

# POWERFUL WAYS TO BE A BUTE HOUSE PUPIL

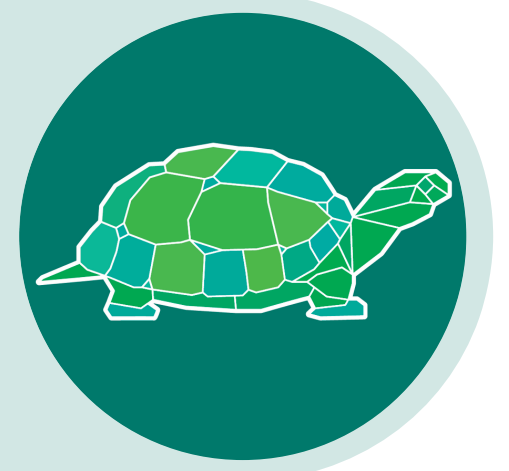

## Be honest

Think about how your words and actions will affect other people. Stand up for what you believe in, but don't be afraid to admit when you are wrong.

## Be persistent

Even when things are hard, remember to keep trying. If you can't do something, remember that you just can't do it YET. Think about what you have done and how you could improve next time.

## Be curious

Always ask 'Why?' Use your imagination and remember that everyone has great ideas - even if those ideas are not the same as yours.

## Be respectful

Celebrate what makes everybody different and speak up for other people who can't speak for themselves. Laugh with people, never at people.

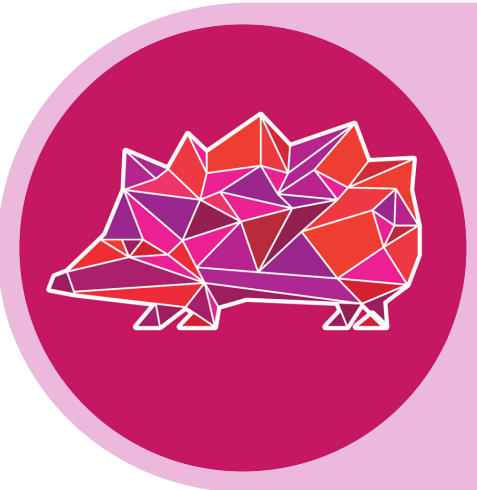

## Be flexible

Always treat people kindly. Working together should be fun. Remember to be polite, listen carefully and be open to changing your mind.

## Be independent

Ask for help when you need it, but remember to try to do things independently. Be brave and trust your instincts. Always try to do your best.

## Be brave

Try new things and take risks. Don't be afraid to make mistakes. Remember that everybody fails sometimes and that's okay.

Your attitude can have a huge impact on your confidence and success.  
Be optimistic and SMILE.
