Name Tapes

Please ensure that all of your daughter's uniform is clearly labelled on the ***inside of the garment.***

Pupils' name tapes should include either their initial and surname or surname only. While sewn-on labels tend to be the most durable, iron-on and stick-on labels are also acceptable.

It is also most helpful to label smaller items such as gloves, hats, and socks.

Labels can be ordered online at:

www.stevensons.co.uk
